

## Broadband Connectivity Options DSL, T1 and DS3

Save up to 70%. Reduce a monthly telecom expense of \$2800 to as little as \$840! Broadvox GO!Local SIP Trunking provides unlimited local calling at a price point far below traditional TDM circuits and other SIP providers. GO!Local is for businesses with minimal long distance requirements or those who want to control and manage their long distance. GO!Local includes all the features and functionality of GO!Anywhere, but does not include long distance. Long distance can be a la carte or added in bundles as detailed below. GO!Xtras options can be added with the initial order or as required. GO!Local works with either an IP PBX, TDM PBX or other legacy CPE.

### Standard features:

- Unlimited local calling
- One BTN included with E911
- Discounted international calling
- Codecs: G.711 and G.729A

### Available options:

- Discounted long distance bundles within the United States (excluding Alaska), Puerto Rico, US Virgin Islands and Canada
- Discounted inbound toll-free (w/RespOrg portability)
- Dynamic load balancing across multiple locations
- Business continuity
- GO!Xtras (LNP, EDID, VDID, Directory Listing\*, Extra Toll-Free numbers, CNAM)
